Bart C. Durham, III, Esquire
Assistant Attorney General of Tennessee
Supreme Court Building
Nashville, Tennessee 37219

Dear Mr. Durham:

It is with pleasure that I look back at last week's convocation of the 27th Southern Regional Conference of Attorneys General at Williamsburg, the success of which was due, in no small part, to your presence and contribution to the program on "The Right to Treatment -- The Obligations of the States in Areas of Mental Health and Corrections." Your efforts expended on our behalf are appreciated very much, indeed.

With kindest regards, I remain

Sincerely yours,

Andrew P. Miller
Attorney General
